Confirmation of Enrollment

Welcome to Hertz #1 Club Gold. We will be confirming your enrollment information and sending you an acknowledgement e-mail within 24 hours. You will receive your Gold membership card within 2-3 weeks. You do not need the card to rent.

Activation of Gold Service

Your Gold renting privileges will be activated after your first rental. When making your reservation for that rental, be sure to use the #1 Club number provided above.

First Rental Procedure

At the time of rental, please proceed to Gold Customer Service in the Gold Canopy area or the Gold Counter at the location. You will be asked to provide your driver's license and the credit card you have indicated on your enrollment agreement as your first form of payment, and some additional checks will be performed. The paperwork for this rental only will be the same as for a non-Gold rental.

You may continue filling in optional data and preferences now by accessing "My Profile, "Vehicle Preferences" in the navigation. If you prefer, you may complete the optional data forms later at your convenience.

You may elect to extend your #1 Club Gold privileges to other countries. To do so you will have to provide [additional information](#), and print, sign and fax the supplemental enrollment form.
