

PalmGear Software Download

Please click on the link below for your Software Delivery. Please note, you may want to save the file to download under a name you will remember so it is indicative of the program being downloaded.

For files that are in zip compressed format (file extension below is ZIP), you will need [WinZip](#)(Windows) or [Stuffit Expander](#) (Macintosh & Windows) or a similar unzipping utility to decompress the files to install. If your order included more than one software title you may close this window and then click on Download for the other titles in order to download them.
